- At week starts, Tuesday 20:21  
One last word - Shit happens! Three days anxious wait.  
Then on Friday the wind touches the oaks and my heart.
- Instrumental...
- The old man is silent, dreaming in heaven.  
Your friends drink a beer and say cheers.  
The wind carries you away behind the Rosenmond - Sadness in NB.
- Sadness in NB, oh Sadness in NB, Sadness in NB, oh Sadness in NB.  
You are behind the Rosenmond.
- Instrumental...
- We are sitting around the fire, stare into the blaze.  
Enveloped in nights fog, we can think of nothing else.  
And the wind touches the oaks and my heart.
- Sadness in NB, oh Sadness in NB, Sadness in NB, oh Sadness in NB.  
You are behind the Rosenmond.
- Instrumental...
- The old man is silent, dreaming in heaven.  
Your friends drink a beer and say cheers.  
And the wind touches the oaks and my heart.
